

Protein Purification with the Äkta Avant FPLC

The Protein Production and Purification Core Facility's new Äkta Avant fast protein liquid chromatography (FPLC) machine for protein purification is operational! We invite you to the

- **Get-to-know** event if you have never used FPLC before
- **What's new?** if you have used an Äkta before
- 2-day **DPBM course** to learn it yourself

Get-to-know
November 13,
2015 12:00-14:00
free ice-cream!

What's new?
November 13,
2015 14:00-
14:45

DPBM Course
November 30 -
December 11,
2015

Where? Biomedicum Helsinki, 5th floor, A516a1
